- Our team includes Master Scuba Diver Trainers, Master Instructors, Course Directors (CD) and Instructor Trainers.

Ready for a Challenge? Take a step into a whole new world

Divemaster

This is probably the biggest step you will take in diver education and we treat it accordingly. The course emphasis is diver development - paving the way for instructor level training. This is a unique opportunity to work with an highly experienced team of instructors. We offer intern training (3 months), private fast-track* training (14-21 days) and customized part-time programmes.

*Specific entry conditions apply.

Open Water Instructor

We offer an EXCLUSIVE private Instructor Development Course programme 1 on 1 with your own personal Course Director. Contact us for an IDC pack. We are the only 5 Star IDC Training Centre in Port Douglas.

Master Scuba Diver Trainer, Staff Instructor and Master Instructor ratings

Take your instructor training to another level with our Course Directors, we offer education and training right through to Master Instructor Rating.

Technical Instructor Ratings

Make the step across to the world of Technical Diver Training and become a Technical Dive Instructor, we offer education and training in DSAT, Tec Tec, IANTD and TDI programmes with extremely experienced Instructor Trainers.

Professional Level Programmes – whether you simply want the ultimate knowledge base, or are looking to take the step into the world of diving as a career then these programmes are for you.

Our internationally lauded Go Pro programmes produce such high quality dive staff, that many candidates have employment offers before they have even completed their programmes with us.
